

## International Journal of Unmanned Systems Engineering (IJUSEng)

Official Journal of Unmanned Vehicle University

### TERMS OF USE, PRIVACY & COOKIES STATEMENT

Marques Aviation Ltd – Press respects the privacy of its website visitors. We provide the following statement to inform you of our policies and practices regarding how we use the information we gather about you.

The names and email addresses entered in this website will be used exclusively for the purposes stated on the page on which they are entered, and will not be made available for any other purpose or to any other party. We do not store names and email addresses in cookies.

We use cookies to store sessions in order to provide an interactive and personal experience to our website users. We do not use cookies to serve adverts or other promotional materials.

We also log your domain and IP address automatically when you visit our site; however, this information does not identify you as an individual, but only the computer that you are using to view the site and your approximate geographic location.

#### **We use cookies for a number of reasons, including the following:**

- To enable article submission and peer-review processes.
- To enable full-text access for members of editorial boards and complimentary subscriptions.
- To monitor site performance.

If desired, cookies can be disabled through your browser settings (refer to your browser's help pages for more information). Please note that by deleting our cookies or disabling cookies you will not be able to use the online submissions and peer-review system or read our full-text articles, and you may not be able to access certain areas or features of our site.

### **First-party cookies**

The following is a summary of the first-party services or systems on our website which use cookies:

- OSPEERS - This cookie is essential for use of the Online Submissions and Peer-Review System. Username and user id (expires two hours after login).
- Full-text access and authentication - This cookie is essential for reading full-text articles. Username and user id (expires two hours after login).
- Forms - This cookie stores data entered into forms' fields so there is no need to re-enter it if an error occurs. Web form (expires one day after fields are completed).

### **Third-party cookies**

One of the principal third-party systems involved in our site which uses a cookie is Google Analytics. This cookie is essential for compiling reports on the performance of our website to help us improve the service we provide for our users. It collects information in an anonymous form, including the number of visitors to our website, where visitors have come from and the pages they have visited. More information on the use of cookies for Google Analytics can be found at [Cookies & Google Analytics and Safeguarding your Google Analytics data](#).

We also embed some elements from trusted third parties into our website pages, allowing us to provide you with features integrated with AddThis, Twitter, Facebook and Blogger.

Most web browsers allow some control of most cookies through their browser settings. To find out more about cookies, including how to see what cookies have been set and how to manage and delete them, visit the [All About Cookies](#) website.

In many cases these cookies are used to generate identical information to Google Analytics, and indeed they often use Google Analytics. Opting out of Google Analytics will therefore also opt you out of these cookies. To opt out of Google Analytics across all websites visit the [Google Analytics Opt-out Browser Add-on \(BETA\)](#) page.

The above information may be subject to change, therefore we recommend that you return periodically to review our latest privacy and cookie statement.
