

IJUSEng Advertising

IJUSEng is the primary source of latest research findings in the rapidly growing unmanned vehicle industry.

Advertise in IJUSEng and gain valuable exposure to the unmanned systems community.

Advertising options

1. Company listings
2. Advertise in our website
3. Advertise in our *new issue alerts*

1. Company listings

Add your company to our Company Listings.

Listing options:

Standard Listing: Company logo and website link.

Premium Listing: Dedicated company page, company logo, company profile, homepage feature, contact information and website link, plus direct search engine traffic.

Standard Listing

The Standard Listing includes your company logo and live link to your website. Your company logo appears in selected pages of the journal website.

\$295 per year

Premium Listing

Your company logo will appear in the Featured Companies section of the Online Journal page. A link through to your own dedicated company page displays images, company description, contact details and website link. In addition, Premium listings appear on site search results and receive their own direct search engine traffic.

\$795 per year

2. Advertise in our website

Display your company or product banner in the IJUSEng website.

There are two banner display positions that appear on selected website pages.

\$495 per year

Horizontal Banner

Size: 468 x 60 pixels

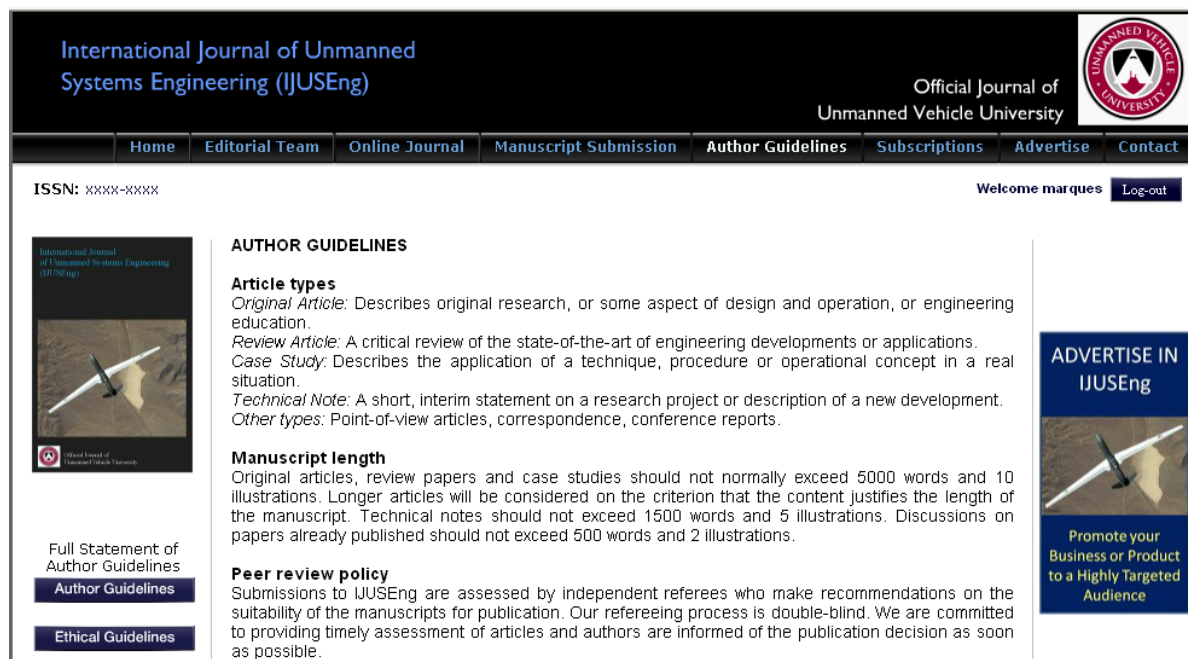

Format: JPG; PNG; GIF

Vertical Banner

Size: 120 x 240 pixels

Format: JPG; PNG; GIF

3. Advertise in our *new issue alerts*

New issue alerts are sent by email 4 times per year to thousands of journal subscribers and companies. The *new issue alerts* contain your company logo, brief company description or message and website link.
