3) The manuscript contains no such material that may be unlawful, defamatory, or which would, if published, in any way whatsoever, violate the terms and conditions as laid down in the agreement.

4) I/we have taken due care that the scientific knowledge, historical data, evidential artifacts, figures and all other statements contained in the manuscript conform to true facts and authentic formulae and will not, if followed precisely, be detrimental to the user.

5) I/we permit the adaptation, preparation of derivative works, oral presentation or distribution, along with the commercial application of the work. Copyright is given at the organisation level and so Marques Engineering Ltd can determine the format in which the paper is to be published.

6) No responsibility is assumed by Marques Engineering Ltd, Southport, United Kingdom, its staff or members of the editorial board for any injury and/or damage to persons or property as a matter of products liability, negligence or otherwise, or from any use or operation of any methods, products instruction, advertisements or ideas contained in a publication by Marques Engineering Ltd, Southport, United Kingdom.

COPYRIGHT TRANSFER

Copyright to the above work (including without limitation, the right to publish the work in whole, or in part, in any and all forms) is hereby transferred to Marques Engineering Ltd, Southport, United Kingdom, to ensure widest dissemination and protection against infringement. No proprietary right other than copyright is proclaimed by Marques Engineering Ltd, Southport, United Kingdom, under the Following Conditions:

- a. The services of the original author must be acknowledged;
- b. In case of reuse or distribution, the license conditions must be clarified to the user of this work;
- c. Any of these conditions can be ignored on the consent of the author.

I/We hereby certify that I/We am/are authorized to sign this document either in my own right or as an agent of my employer, and have made no changes to the current valid document supplied by Marques Engineering Ltd, Southport, United Kingdom.
